

MEDICAID-ELIGIBLE PATIENTS

I _____ {name} fully understand that Dr. Lisa Lichtig, Dr. Susan Ehram and Family To Family are not currently accepting any Medicaid patients {with the exception of pregnant women and newborns}. I also understand that they are no longer Carolina Access Providers. Since I do qualify for Medicaid, I realize that some of the services offered at family are covered by other Medicaid providers. I have chosen to receive services at Family to Family and will be financially responsible for services rendered. I do not expect Family to Family to submit claims to Medicaid for services rendered.

Physician Fees are \$220 per hour, billed in 15-minute increments. Diagnostic testing and labs ordered at outside facilities will be billed directly to Medicaid. For this reason, Family to Family may request a copy of my current Medicaid card.
